INDIANAPOLIS, IN – The excellent worker safety record compiled by the South Henry Regional Waste District employees has earned for this government entity the Indiana Public Employers' Plan safety award for calendar year 2011.

The award not only rewards the prevention of accidents among employees, but also emphasizes the cost savings to governmental agencies by keeping workers on the job.

South Henry Regional Waste District is one of 510 governmental entities throughout the state of Indiana whose employees are covered by Indiana Public Employers' Plan, Inc. (IPEP). This is the only self-funded workers compensation risk-sharing group in the state.

When governmental officials couple safety programs with cost control and claims management efforts, they recognize the many advantages of participating in an alternative insurance plan.
